PROFILE

Highly skilled and experienced Web Developer with over 5 years of expertise in WordPress, PHP, MySQL, HTML, CSS, jQuery, JavaScript, and Laravel. Committed to creating exceptional websites and web applications that deliver outstanding user experiences. Seeking new opportunities to leverage my technical proficiency and contribute to dynamic projects.

WORK EXPERIENCE

2023-2023
Vertex Properties

Web Developer (Contractual)

Vertex Properties is an online property listing website that needs a modern and user-friendly website. I designed and developed a custom WordPress theme, optimizing it for both desktop and mobile devices.

2017-2018
Other Vision

Web Developer and Designer

Full stack web developer responsible for end-to-end web app development. Designing and developing visually appealing and user-friendly websites and web applications. Collaborating with cross-functional teams to gather project requirements and ensure alignment with client objectives.

2014-2016
R Tex Fashion

IT and Web Developer

Providing daily operational support and system administration for IT system infrastructure. Developing an official eCommerce website within official requirements.

SKILLS

Photoshop

Illustrator

EDUCATION

ASIAN UNIVERSITY OF BANGLADESH.

BSc in Computer Science and Engineering

2014-2017
